

# Canine Massage & Energy Healing Workshop

Join us for an interactive and informative workshop to strengthen the bond with your beloved canine companion led by Jackie Limosani, a Certified Canine Massage Therapist, Certified Healing Touch for Animals Practitioner and Certified Animal Reiki Master. The workshop offers the perfect opportunity to spend quality time with your furry friend and the opportunity to deepen the bond by providing them with some one-on-one time, including touch, gentle massage and promoting physical and emotional well-being.

## Why Massage Your Dog

- Helps with early detection of health problems through ongoing assessment of your dog
- Relaxes and calms an anxious/nervous dog
- Promotes healthy skin and hair/coat
- Improves/increases blood and lymphatic circulation
- Helps eliminate toxins and improves the immune system
- Improves performance for the canine athlete
- Prevents injury by increasing range of motion and enhancing muscle tone
- Relieves tension, pain, and discomfort
- Eases the pain and soreness from chronic conditions like arthritis and hip dysplasia through release of endorphins.... AND MORE!
